Yes! We're
OPEN
again!

WELCOME BACK!!!

As we try to return to some normalcy we hope that everyone has enjoyed their extended time with family. We are glad to have you back and we will have to follow some protocol but hopefully it won't last long (fingers crossed, toes crossed haha).

PROTOCOL FOR CLASSES

- 1 parent per family. Gym bay doors will be open if you wish to watch outside.
- social distance
- kids bring their own drinks
- masks worn as they enter and exit the building
- enter one door into gym exit another door to leave

Thank you!!!

Just wanted to give a thank you and a update to you parents on classes starting back. The kids are adjusting to the new protocols . They are doing their best at staying socially distance and the staff is doing a great job with cleaning the mats down after each class. We realize kids need social interaction and need normalcy in their life as soon as possible. We hope that happens soon and ntil then we will just make the best of it.

What is 10 for \$10?

Damar Gymnastics
2120 Robinson Creek Rd
Corbin, Ky. 40701
606-523-0840
www.damargym.com

Stop by the front desk grab you some \$10 off business cards and sign your name on the back. Hand it to someone or a friend and when they return it to us and sign up in a class they will get \$10 off their first month and then you will get \$10 credit to your account!!

Check this out!

Make sure to stop by and check out our new and improved website!! Our plan was to make it more user friendly on a desktop and cell phones. We would love to hear your feedback!!
